Mr. Jager,

Congratulations on receiving the Distinguished Service Award at the recent Governor's Hurricane Conference Awards Banquet. Lynne, Nancy and I were very honored to sit at your table and share the experience with you.

In Emergency Management we work with many wonderful volunteer groups. However, we have never worked with a more sincere group of individuals as the Christian Contractors. What a testimony of passionate servanthood you demonstrated in Washington County after we were hit by a powerful F3 tornado this past March. Communities were turned upside down and families devastated by the twister. Your presence made a difference in the lives of the people you came in contact with and assisted during this difficult time. For this we are grateful.

If you or your men are ever coming through our area, please take the time to stop and visit us. You are always welcome.

God bless all your endeavors and each of your lives.

Sincerely,

Roger D. Hagan  
Emergency Management Director and Staff
