Hurricane Charley

Dear friends, supporters, and prayer warriors of CCA missionary teams,

I am writing this at the request of my dad. He has been very busy doing God's work to coordinate disaster relief operations in the aftermath of Hurricane Charley. He is updating us with information and very moving testimonies of how God is working in the midst of a tragedy. CCA missionaries have organized the efforts of hundreds of volunteers as God and His people provide the resources. Willing servants have slept on the floors of Emergency Operations Centers, abandon gymnasiums, or anywhere the Lord provides. There are thousands of people requesting CCA's free emergency services. To date, we have teams in Oseola, Polk, Hardee, and DeSoto counties. We have been told by emergency field offices that our teams have touched the lives of over 6,000 households. Dad is always reminding me that this a team effort throughout the body of Christ. There are too many names to mention, but God knows them all. Please continue to pray for us as we give God all the glory, honor, and praise.

Commission and Dedication Service Held

A very moving commissioning service was held by the CCA Board of Directors. The following missionaries were commissioned: Brian Adams, Jerry Daub, Dwight Durham, Roy Isley, Shanna Jager, Susan Jager, Glenn Kasper, Rick Lamb, Ray Roddis, David Sparkman, and Joanne Vinciguerra.

The service also dedicated numerous volunteers. The following were dedicated: Charles Davis, Bill Ford, Charlotte Ford, Cindy Gerard, and Johnathon Lamb. Many of these people have worked with CCA for several years, but we felt led to make it official. Thanks again for your support.
